

22 October 1971

Keith Nurse, Esq.,  
Daily Telegraph  
135 Fleet Street,  
London, E.C. 4.

Dear Keith,

Just a note to say thank you so much for your piece on 15 October - it's rotten that they edit things out as they do, but very good that the country editions carried it.

It was great to see that double bonus on the book pages yesterday.

Thanks - we must meet soon.

Yours,
